Bridge API – Access the "Agreements" tab to approve or decline IDX requests

Follow these instructions to approve or decline an agreement for the MIAMI MLS data via Bridge API
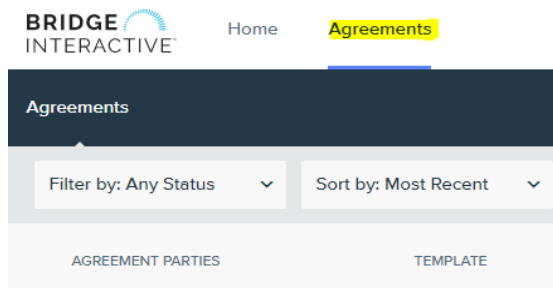

A Step-by-Step guide for **Office Head Brokers** only

1. Log into your **MIAMI Dashboard.**
2. Click the Bridge Agreement Management Icon.

3. If prompted; Agree to the Terms & Condtions.
4. Once you are Inside Bridge API look at the top left tabs and click on "Agreements", from here you should see all agreements available under Brokerage/Branch to approve or decline.

For Technical assistance, email BAM@BridgeInteractive.com

If you are the "Office Head Broker" and do not have access to "Bridge Agreement Management" please email RETS@Miamire.com with Subject line: Bridge API Access Issues
