■ **Magnet Schools:** Magnet programs offer unique courses of study focusing on students' special interests, talents, and abilities in Careers and Professions:

- International Programs
- Liberal Arts
- Mathematics
- Science & Technology
- Visual & Performing Arts
- VPREP- Virtual Offerings.

In all, over 460 choice programs in over 100 magnet schools.

■ **Career Academies:** Career academies focus on a theme that is directly aligned to priority workforce needs in our community. These choices include:

- Agriculture, Food and Natural Resources
- Architecture & Construction
- Arts, A/V Technology & Communications
- Business Management & Administration
- Education and Training; Finance; Government & Public Administration
- Health Science; Hospitality & Tourism
- Human Services; Information Technology; Law, Public Safety, Corrections & Security
- Manufacturing; Marketing
- Science, Technology, Engineering & Mathematics
- Transportation, Distribution & Logistics.

M-DCPS offers 53 programs in the four career themes of Engineering, Finance, Hospitality & Tourism, and Information Technology at 27 high schools. All academy courses meet high school graduation and college entrance requirements.

■ **International Programs:** International programs offer a challenging curriculum promoting high levels of academic productivity, comprehension of world cultures, and the acquisition of a foreign language. M-DPSC offers the International Studies (IS) Program, International Baccalaureate (IB) Programme, Cambridge International Examinations (CIE) Program, International Education (IE) Programs and AP/Capstone Program.

■ **Charter Schools:** Charter Schools in Florida are fully recognized as public schools. They are operated by, or organized as, nonprofit organizations typically run by a group of parents, teachers, municipalities, institutions, universities and/or a combination of more than one group.
