

Buying and selling a home doesn't have to be complicated. dotloop brings the entire process online. No more faxing, scanning or hand delivering documents. As your agent, I simply invite you into the Loop!

Today's Buyers & Sellers expect more. I can deliver it with dotloop – where everyone involved in the deal has anytime online access to a single, up-to-date document. One place for changes and signatures. A clear path to getting real estate moving.

Saves up to 10 hours per transaction

A good negotiation will take up to five rounds of counter-offers. And you'll be able to login and review each one. Anywhere, anytime.

40% faster negotiation process.

No waiting for signatures or lost time faxing documents. Everyone involved in the deal can login and sign at any time.

Online convenience

Get the kind of access you would expect from any online purchase. No need to schedule a meeting – just login to work with your documents.

10% more closed deals.

Communicate clearly and efficiently. Changes are noted, questions answered, and the entire process is simplified.

Secure & traceable

All adjustments are tracked and time stamped so you'll see where the current document is, and know how it got there.

Saves up to 10 hours per transaction.

No shuttling documents from place to place. Just focus on what you do best, and move on to the next deal.

Time won't kill your deal

When you really need to get your offer in, there are no copies to be made of faxes to be found. You adjust and sign, all online.

No time for buyers remorse to set in.

Buyers and sellers are not left wringing their hands and second guessing. Decisions are made and documents signed.
