For Sellers

When you list with me ...

I can provide your property with additional U.S. and international exposure.

Your property will immediately be marketed to my entire International Referral Network and to as many as 500 web-sites around the world.

Your property will be marketed in 19 different languages – so no matter where your buyer comes from the information on your property is available in the language they speak.

For Buyers

Whether it's around the corner or around the world...I can find just the perfect property you've been looking for or might want in the future.

My International Referral Network gives you access to real estate professionals, expertise and properties in the U.S. and around the world.
