

### How To Apply for a Courtesy IDX Feed (Broker/Agent)

**PLEASE NOTE:** The designated broker for your office MUST first log into Bridge to allow access to agents from your office. This allows Bridge to assign your broker as a signing party to your four-way data access agreement. If your designated broker has not yet logged into the system, you will see an error message explaining that this step must be completed.

1. Go to [www.miamirealtors.com](http://www.miamirealtors.com).
2. Click on the Miami Gateway and log in with your MLS Credentials.
3. Access the Bridge Management Dashboard and create a new IDX agreement. (Commercial Dashboard's must click on Home to find Bridge)

4. If no Third-Party Vendor is involved, create an agreement under **Member Data License Agreement – No Third-Party Vendor**
