*Florida municipalities consist of incorporated cities, towns, and villages. Florida law makes no distinction between these three types. CDPs are unincorporated communities identified and delineated each decennial U.S. Census for statistical purposes only (so their boundaries have no political meaning). Boundaries used for this report are as of Jan. 1, 2015.
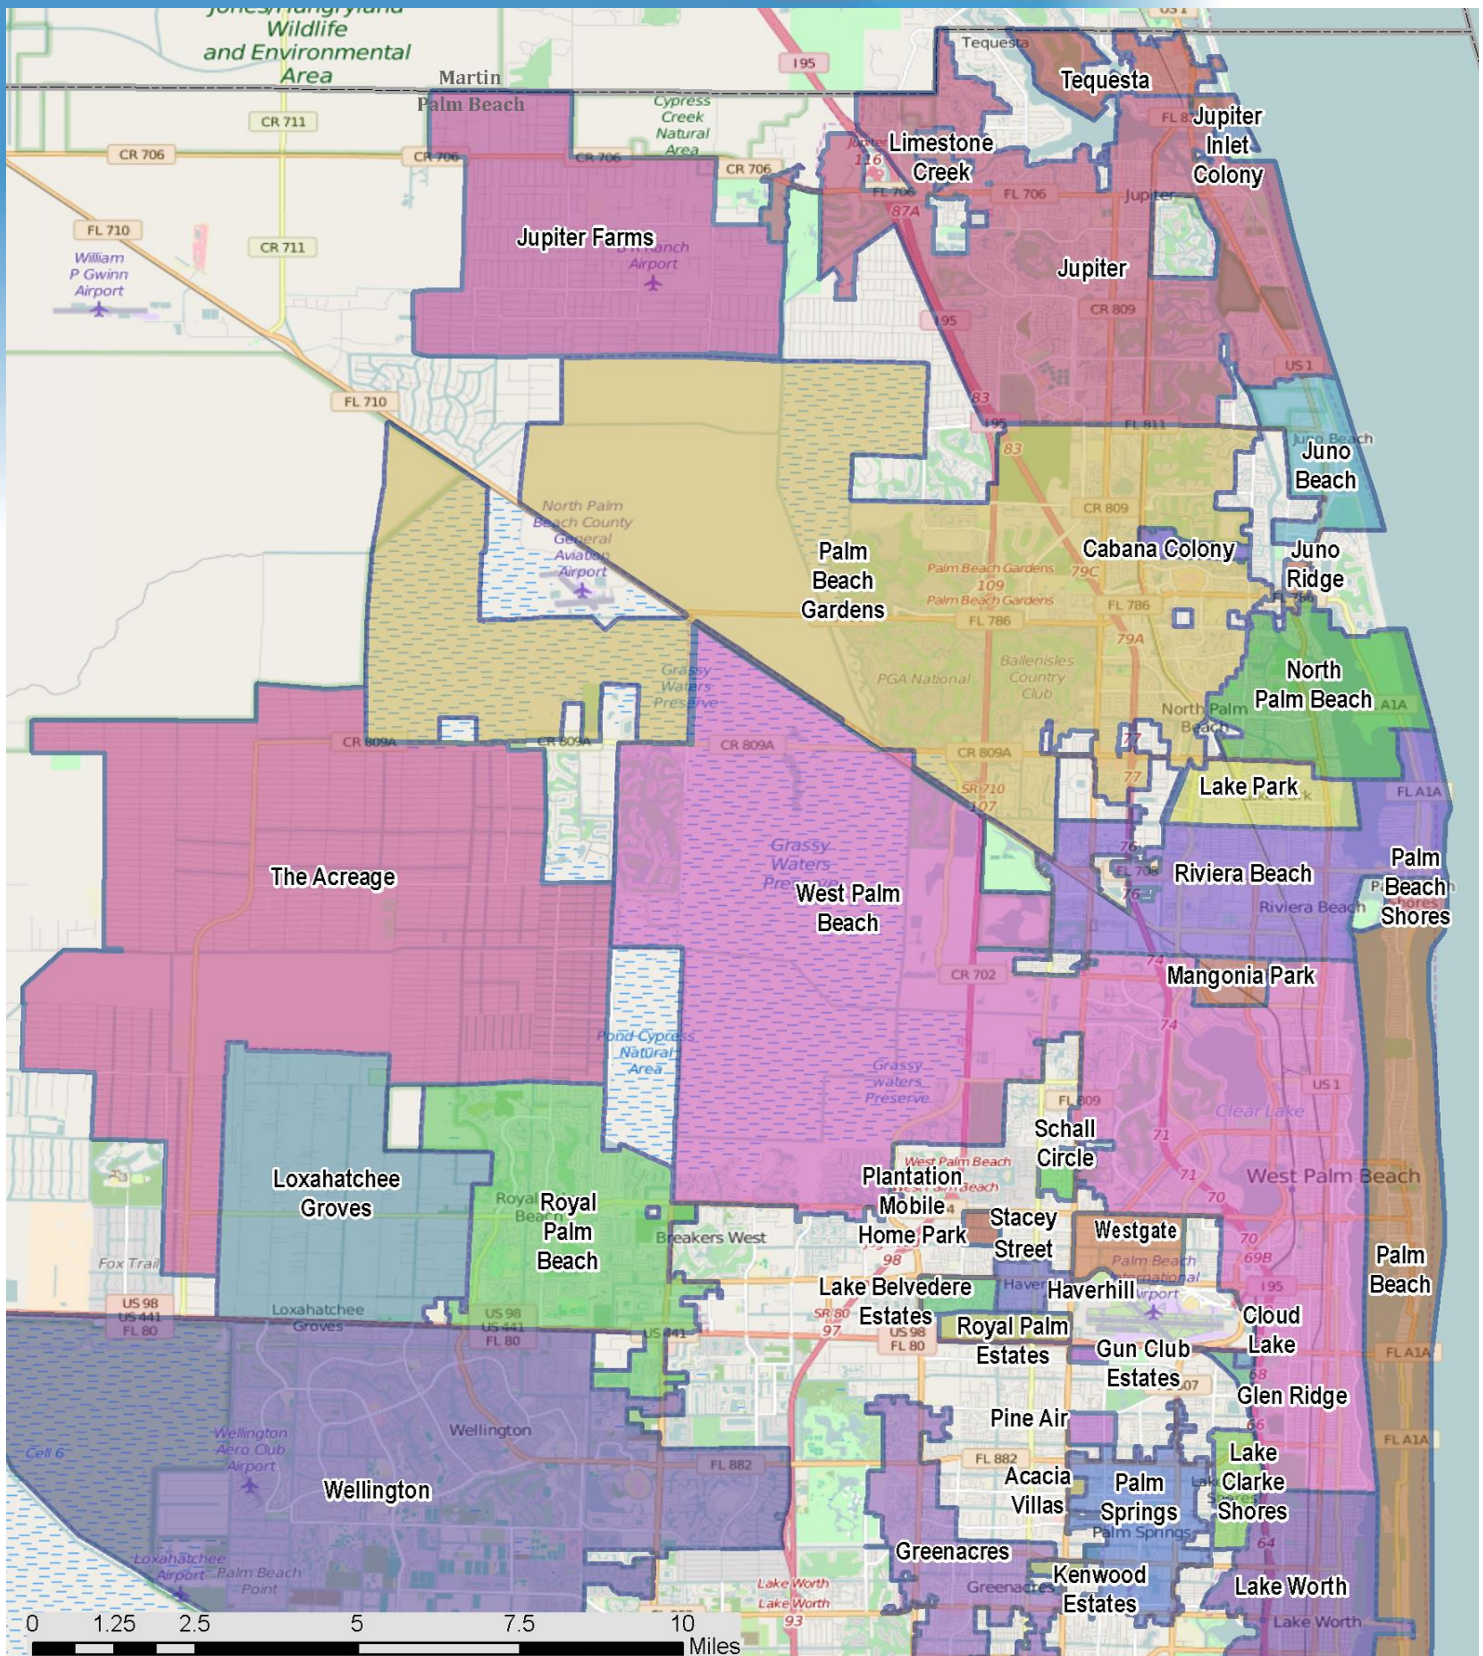

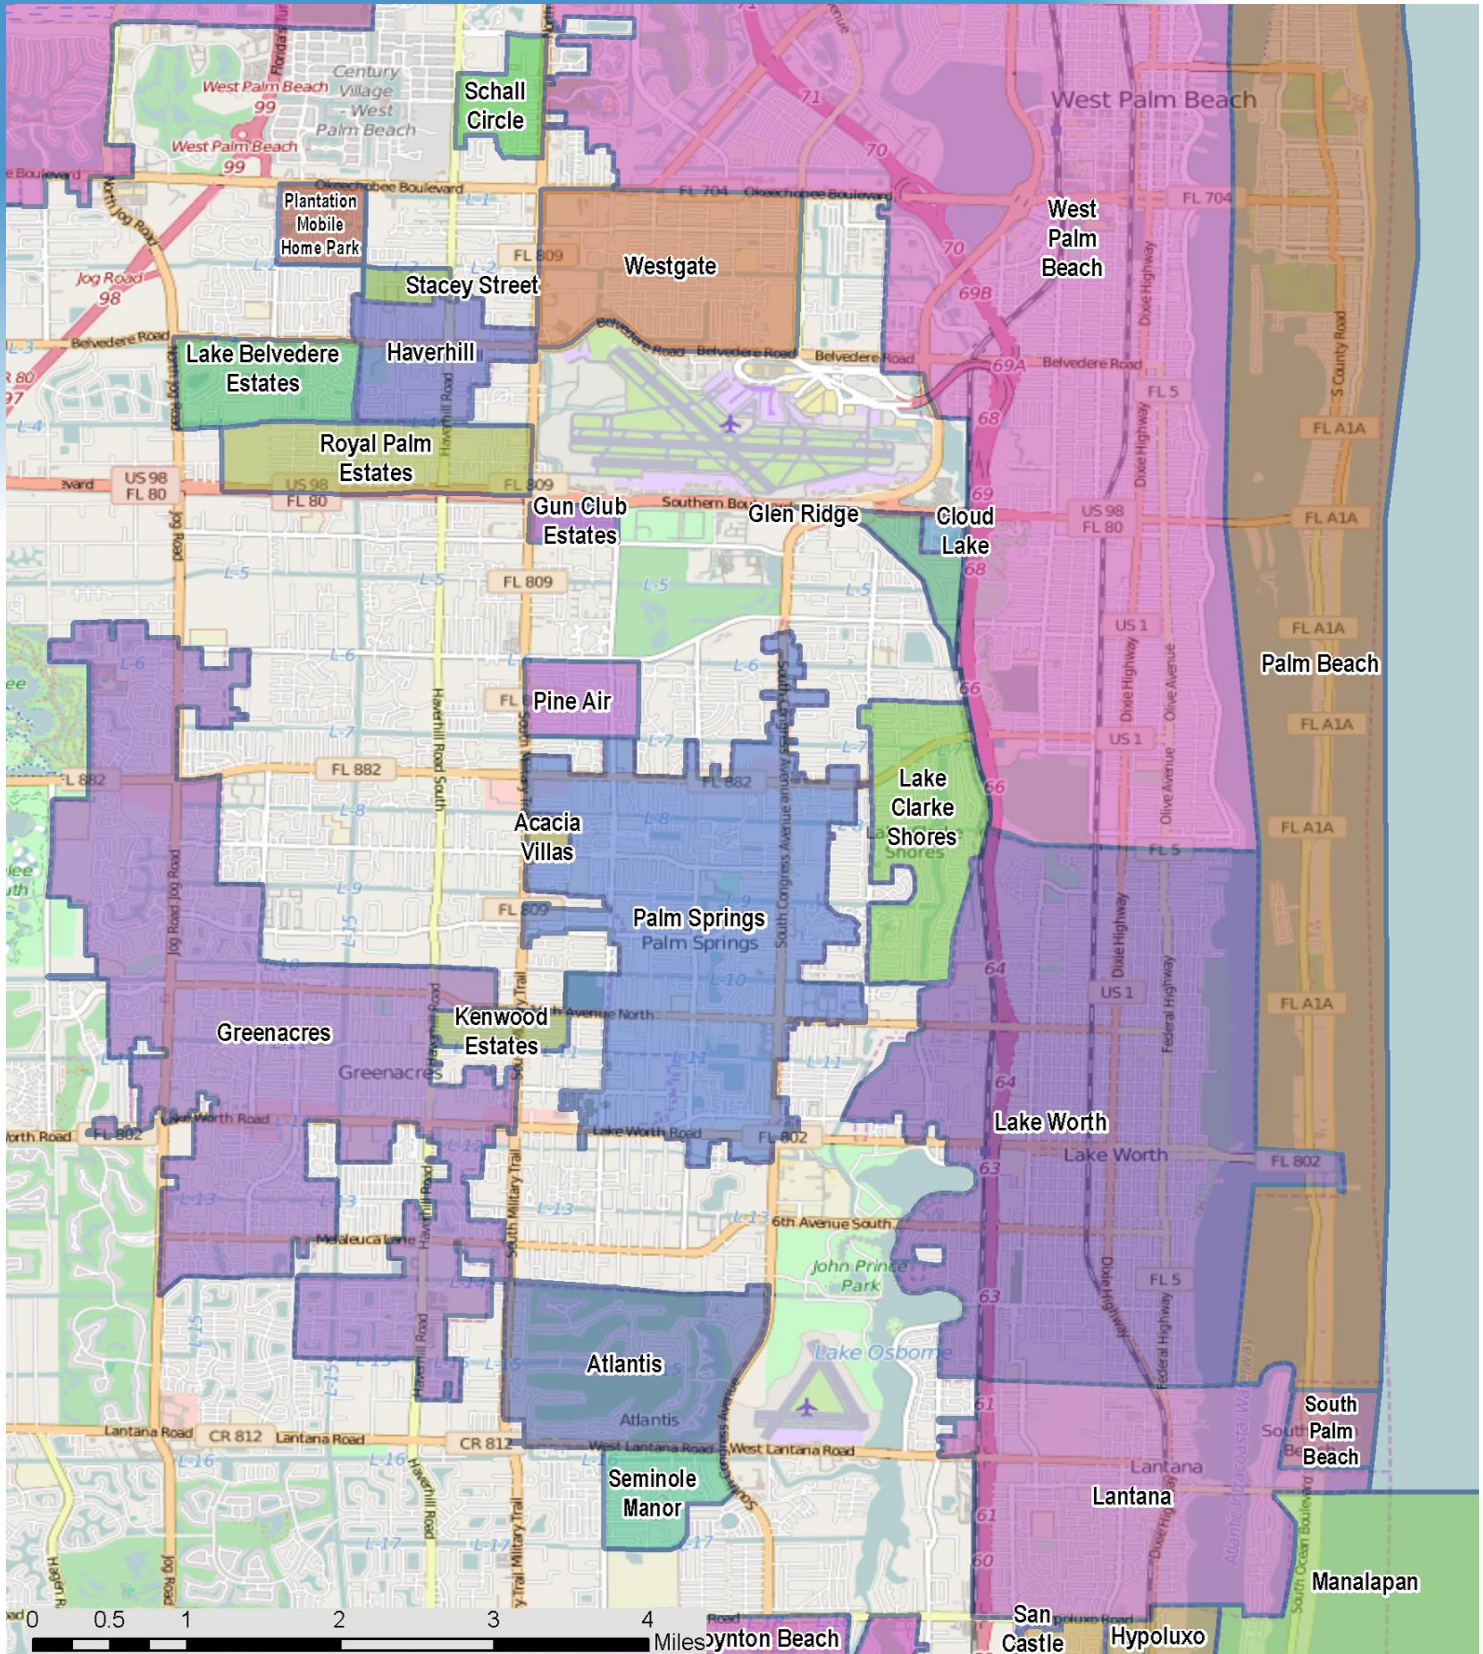

Produced by MIAMI REALTORS® with data provided by Florida's multiple listing services. Statistics for each month compiled from MLS feeds on the 15th day of the following month.

Data released on Thursday, January 20, 2022. Next yearly data release is TBD.
