

INSTACARD

THE DIGITAL **BUSINESS CARD**

Changing The Way People Connect

We started in the Year 2000
out of my mom's garage

She was a Realtor who needed tech help.

- ✓ 1 Click to Call, Text or Email

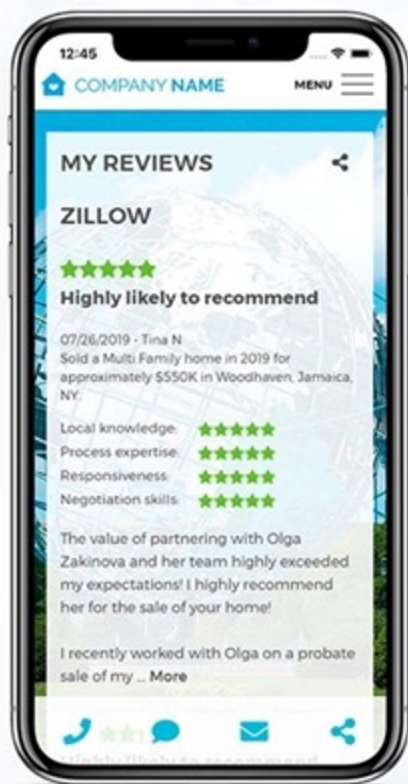

CLIENTS CAN EASILY ADD TO CONTACTS

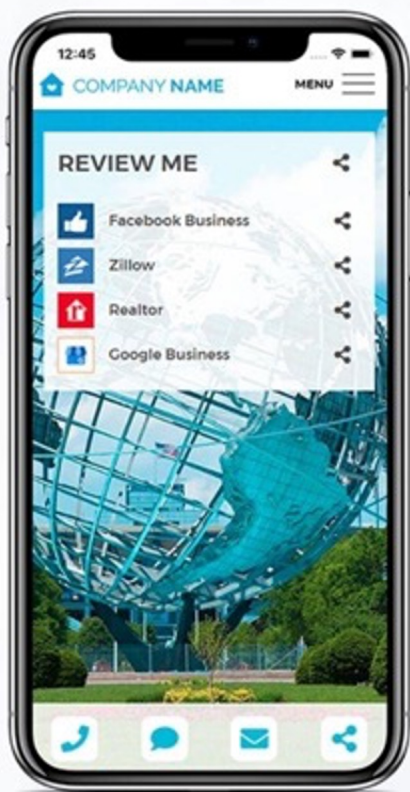

Send your Instacard to anyone, by just having them tap add to contacts on their phone. Sit back and watch as all your contact information, links, address, phone and photos get seamlessly and instantly saved into their phone.

YOUR REVIEWS ALWAYS UPDATED

Instacard automatically links to your central place of getting reviews like Zillow, Google Business or Yelp. Anybody accessing your reviews through the digital business card will have access to your most recent and, preferred platforms where they can read through them all!

GET REVIEWS EASILY

Instacard presents all links to your review pages in one place. Common review sites include Google Business, Zillow, Facebook Business, and Realtor. The Instacard grants your clients the ability to leave a testimonial on any of your review sites.
