

Lundy is honored to be a part of
ROCK THE MARKET 2023!

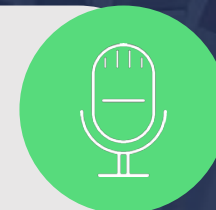

“Alexa, start finding homes.”

Did you know...

Nearly half of all search is done by **voice**

It's the easiest and fastest way to access information

83 million commuters
interact with voice
technology every day
while driving

Benefits to the MLS and its members

Easy Integration

Our easy integration helps solve hard problems in Fair Housing and accessibility of data to address ADA.

Widely Available

All of Miami Realtors listings will be available to consumers through this new visual and natural language medium.

Hardware Agnostic

Alexa can be accessed through Alexa devices, mobile devices, and Firestick TV!

Welcome Miami Realtors!
(and your 3,000,000 + consumers) to
Finding Homes—the **voice** of real estate.

Finding **Homes**
