

Part 1: What is MLS Offers?

MLS Offers is the industry leader in
Offer management & is fully
integrated in **YOUR** MLS

Listing agents are able to receive all their offers from buyer agents in one location and **uniform format** for easy review, reply and team collaboration.

Buyer agents have the peace of mind knowing their offer was submitted successfully. They can **view their offer** in their account at any time, **track its status**, **communicate with the listing agent** and even **amend their offer** if need be.

AFFIRMATION REQUEST: PRESENTATION OF PURCHASE OFFER

Request affirmation from the listing broker/agent stating
The offer has been submitted to the seller/landlord, or
notification the seller/landlord has waived the obligation to
have the offer presented.

Once an offer is submitted, MLS Offers provides agents on both sides of the offer with a streamlined communication experience that allows all offer terms, documents and back-and-forth correspondence to be shared and managed in an organized online environment.

There are many productivity features included that save time, increase efficiency and streamline the transaction process.

Agents also benefit from increased compliance and transparency because all documentation and communication shared between the agents is logged and **time & date stamped** creating a **complete audit trail on all listings.**
