

1. The new release was updated to make the use of options MORE convenient
2. Options are NOW AVAILABLE on the left panel for quick and easy access
3. IMAPP's Option Update makes it easier to jump to different types of searches
4. This Options Update also allows you to get additional information
5. Based on member's requests – you can now see searches and property reports directly from the home page

# FEATURE OVERVIEW

MiamiRealtors.com

**Access IMAPP Upgrade NOW!**

**[MiamiRealtors.com/IMAPP-NEW](https://MiamiRealtors.com/IMAPP-NEW)**

To toggle to **IMAPP New Release Version** of the platform:

1. Use the bar on the top of the IMAPP page "You now have access to beta version of the new IMAPP. Click here to opt into testing."
2. Select "Use Beta Version".

To toggle back to **IMAPP Classic** in the platform:

1. Use the Settings button in the upper right side of the IMAPP page.
2. Navigate the Account Settings and System Defaults.
3. Click on the "Revert to Using Old System".
4. Click on the "Use Release Version" to use new interface.
