

A low-angle, upward-looking perspective of several modern skyscrapers with glass facades, reaching towards a bright blue sky with scattered white clouds. The buildings are arranged in a way that creates a sense of height and architectural grandeur. The text is centered over the upper portion of the image.

The Most Comprehensive Database New Development Inventory—Anywhere

**BUILT EXCLUSIVELY FOR LICENSED AGENTS
AND RESIDENTIAL DEVELOPMENT SALES**

www.DashToDash.com

Proud to be a part of  **MIAMI
REALTORS**

A User-Friendly Platform Revolutionizing How Agents & Development Sales Work Together

Built exclusively for licensed agents and development sales teams

New development comparison and sharing tools

A single, centralized platform only showcasing new-development inventory

Data & engagement insights for agent portfolios and metrics on developer content

Unbranded and reformatted property content made ready-to-share for agents

Real-time updates, custom notifications, and development update alerts

Currently, Agents Struggle to find New Development Inventory and Project Content They Can Trust...

Inaccurate information

Content requested is shared slowly, unorganized, in XL file sizes or on [DropBox](#), often inaccurate and out-of-date.

Time-intensive reformatting

Materials shared in inaccessible and unusable formats, requiring agents to unbrand & reformat content.

Incomplete inventory and insights

Current tools make it impossible for agents to determine if new development inventory is accurate and up-to-date.

With DASH, Agents Find New Development Properties in Seconds, Not Hours

Access to new markets

Discover and explore new developments and unbranded marketing content on a single platform.

Time-stamped updates

Up-to-date, developer approved, and verified project content – timestamped to indicate when - and what- changes are made.

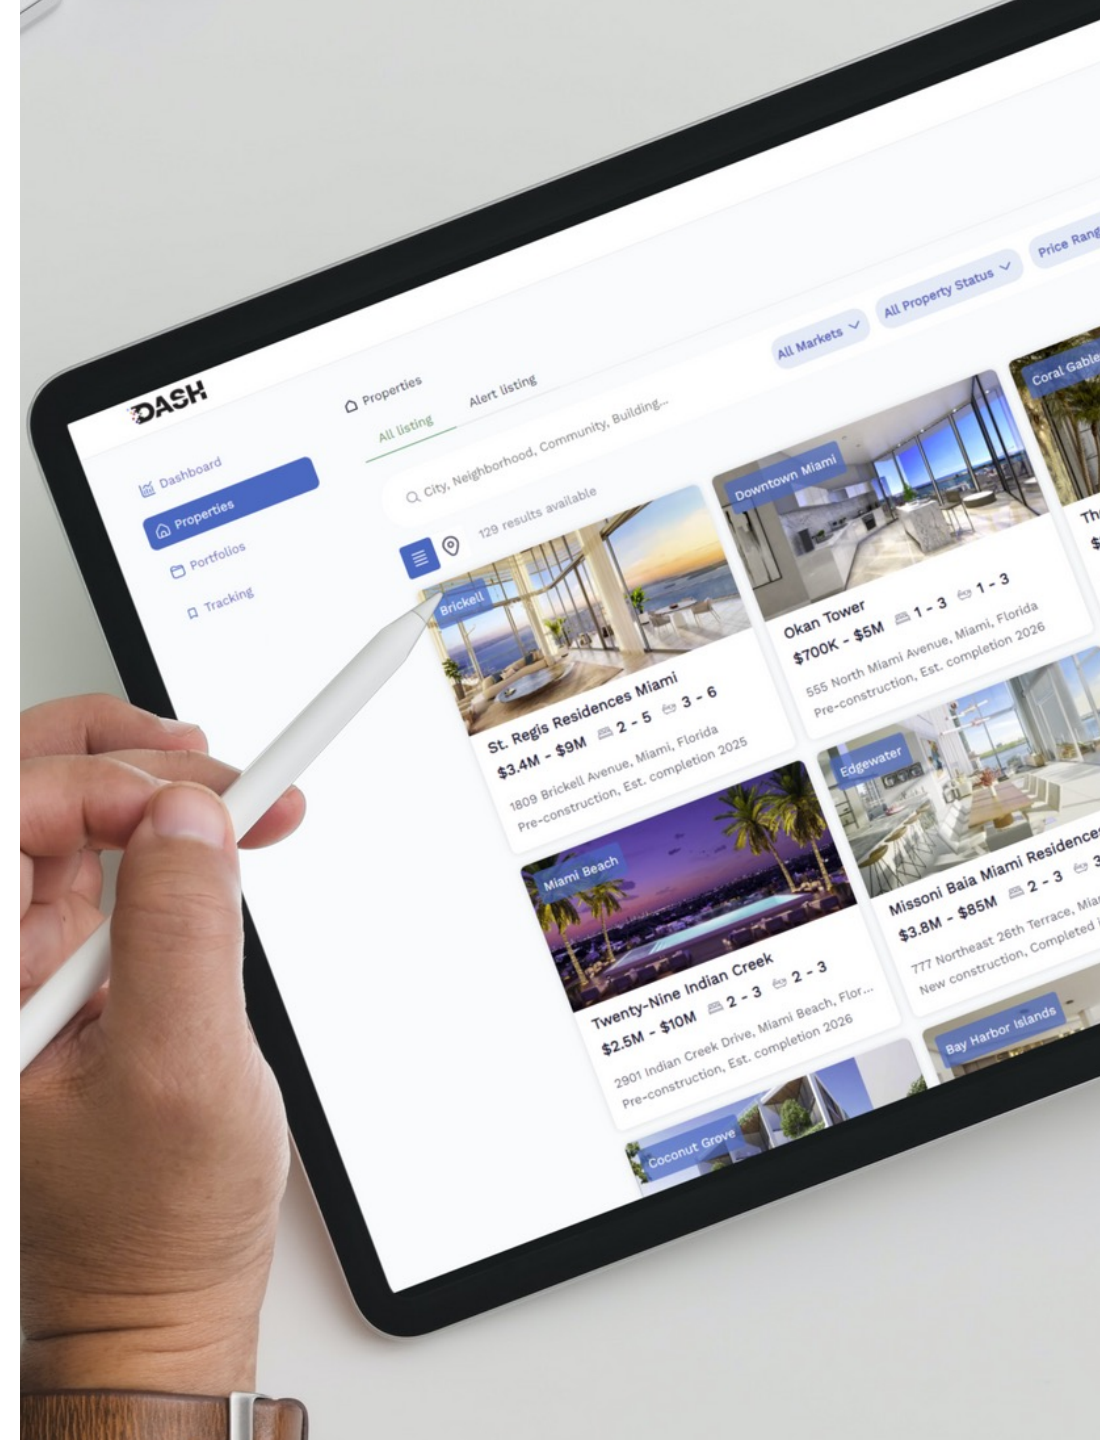

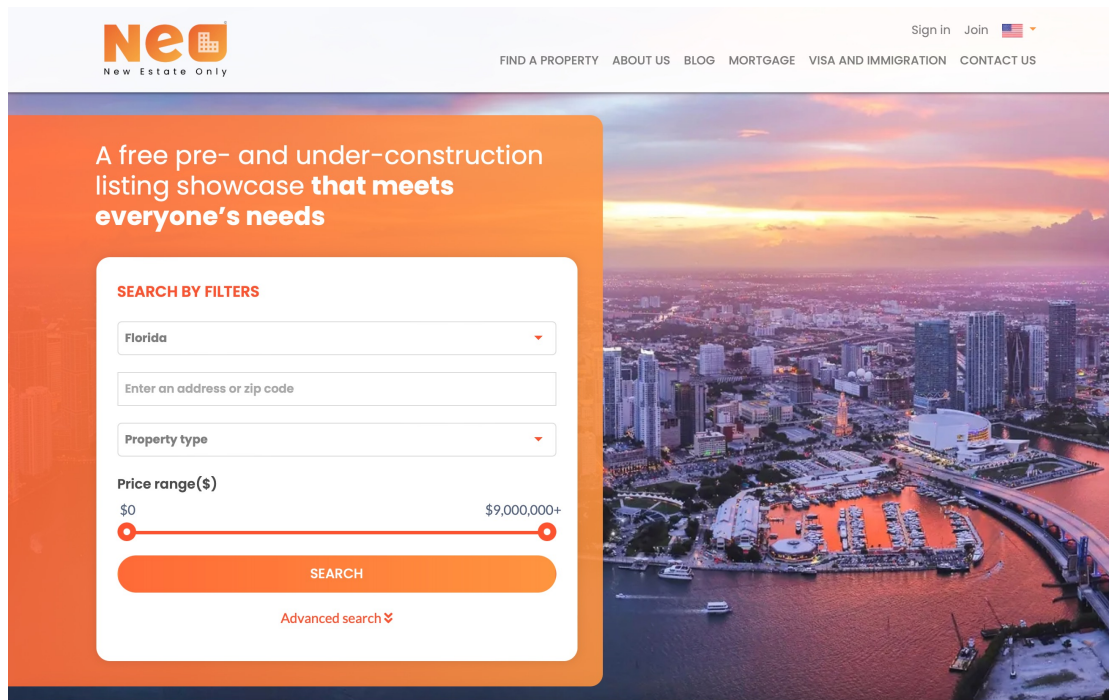

Real time notifications & communications

Instant, customizable alerts to agents when something new is available and property changes occur.

DASH provides the tools for both new & experienced agents to succeed

Your Dashboard

A Huge Upgrade

The screenshot displays the Miami MLS Dashboard interface. At the top, a dark blue header contains a menu icon, the word "Resources", and a dropdown menu set to "MIAMI MLS® DASHBOARD". Below the header, a navigation bar includes tabs for "ALL", "MLS", "DOCUMENTS", "MARKETING", and "OTHER". A notification banner at the top right states, "Your bill is past due. Please make a payment! Account suspension for non-payment is on 2/2/2024.", with a "PAY BILL" button and a "Reminder: Upcoming" notification. The main content area is divided into several sections: "CURRENT VIEW: EVERYTHING" and "CURRENT PROFILE: MWOODRUM1". The "MLS & Association Resources" section features logos for Miami Realtors, CoreLogic Matrix, RPR (marked as "NEW!"), National Association of Realtors, Flexmls, TransactionDesk, and InfoSparks. The "Documents" section includes logos for Form Simplicity, DocuSign, cm contracts, and dot loop. The "Marketing" section displays logos for Cloud CMA, Solid Earth, CUBICASA, BombBomb, homebot, mycondoplane, and Property Panorama. The "Other" section is partially visible at the bottom. On the right side, the "Account Balance" section shows a balance of \$130.00, an active account status, a due date of March 31, 2024, and a "Pay my bill" link. Below this, the "New & Trending" section features two featured items: "Miami MLS Economic" and "Miami Market".
