^{*}Some zip codes included in this report may serve residential properties in multiple counties; statistics presented for these zip codes include properties not located in this county.

Each MLS listing used in the production of these statistics was assigned to a zip code according the address provided in the listing (after an address verification/standardization process).

**The U.S. Postal Service designates a single "preferred" city name to every zip code. Some zip codes also have one or more "acceptable" city names in addition to the preferred name.

Produced by Florida Realtors® with data provided by Florida's multiple listing services. Statistics for each month compiled from MLS feeds on the 15th day of the following month.

Data released on Wednesday, October 23, 2024. Next quarterly data release is TBD.

^{*}Some zip codes included in this report may serve residential properties in multiple counties; statistics presented for these zip codes include properties not located in this county.

Each MLS listing used in the production of these statistics was assigned to a zip code according the address provided in the listing (after an address verification/standardization process).

**The U.S. Postal Service designates a single "preferred" city name to every zip code. Some zip codes also have one or more "acceptable" city names in addition to the preferred name.

Produced by Florida Realtors® with data provided by Florida's multiple listing services. Statistics for each month compiled from MLS feeds on the 15th day of the following month.

Data released on Wednesday, October 23, 2024. Next quarterly data release is TBD.
