<sup>\*</sup>Some zip codes included in this report may serve residential properties in multiple counties; statistics presented for these zip codes include properties not located in this county.

Each MLS listing used in the production of these statistics was assigned to a zip code according the address provided in the listing (after an address verification/standardization process).

\*\*The U.S. Postal Service designates a single "preferred" city name to every zip code. Some zip codes also have one or more "acceptable" city names in addition to the preferred name.

Produced by Florida Realtors® with data provided by Florida's multiple listing services. Statistics for each month compiled from MLS feeds on the 15th day of the following month.
